COMENIUS PROJECT 2013 - 2015

The Coordinators (Marino Antonina, Ebru Topacioglu, Agnieszka Lapczynska, Sabine Simonse-Brunner, Luis Mario Aparcero Fernandez de Retana) **at the old castle in Chipiona, Spain.**

12.05.2014 Monday

All participants came from different airports in Seville, Jerez, Malaga and Granada. The Spanish coordinator organized the collection through coaches to ensure safety and effectiveness. All came to the Hotel Monterrey, Italy brought six students to be housed in Spanish families for an educational experience. The first day was celebrated simply with the welcome dinner.

13.05.2014 Tuesday

On Tuesday morning we made a short walk to the school touring the coast of Chipiona. At school we had a short meeting, we explained to the day's activities, and delivery of materials and working papers. Students prepared a Comenius Welcome Festival in the school theatre. Europe's Day was celebrated with the presentation of the flags and anthems, after that different groups of students did their performances such as the typical dance of sevillanas and bulerías, the play of "Don Quixote" that we transformed into a play to avoid obesity among students to eat healthy food, performance of aerobics and singing the song of being healthy. Therefore all the participants got to know each other. After that, we went to the staff room for the coffee break and after the coffee break we went to the meeting center for the presentations of each country. Later, we went to the castle of Chipiona to visit the exhibition "Cadiz and the New World". After the exhibition, we went to Peña Peñita to have a traditional healthy lunch that is called Spanish Paella. All the participants tasted the traditional healthy Spanish food. In the afternoon, we went for Chipiona sightseeing: went walking and sightseeing nearby, visited historical buildings and the old town to understand the culture of the city better, did a short walk around the city. We went up to the Lighthouse of Chipiona in groups of fifteen people with a tour guide. We had a Coffee at Picoco, and then walked along the promenade.

**BEING FIT AND SOCIABLE THROUGH
DANCE, MUSIC AND LOCAL DISHES**
COMENIUS PROJECT 2013 - 2015

After sightseeing, we had two hours free time. After that we met in the restaurant *El Potalazo* for the dinner. We went to pub *Lío* for dancing SALSA & BACHATA with professional dancers.

14.05.2014 Wednesday

On Wednesday, all the participants met at school. Each country presented their recipes and gave the booklets. We visited the exhibition about the project made by students.

The second meeting of the teachers was to discuss about the flash mob. Each country will select music and choreography and bring them to Italy and there we will decide on a song and a possible choreography.

Luis Mario proposed to make a photo album at the end of the project when all of the countries send their photos to him.

We talked about the details of the next meeting in Italy which will take place between 17th and 21st of November.

We agreed to make:

- A healthy Bazaar; each country will make a bazaar in their schools and take photos and put them on Facebook.
- Each country decide to do an activity just for 15 minutes (a short story, a film, a song or something else that is related to the topic)

At the end of the meeting we realized that we need more communications among the partners. The coordinators and the teachers should e-mail each other more frequently and also they should use the official Facebook page and the website of the project to support communication. Meanwhile, all the students had morning sports at Eurobesity center aerobics, did graffiti, made traditional food (gazpacho, salmorejo), danced sevillanas, played drums, and played some games in the playground.

After that, we had a lunch, Healthy Local Dishes of the host country at the school canteen. With the participation of AMPA (Association of Parents of Students) offered typical products of Chipiona and Andalusia. We were taken a photo in front of school as a memory of the second meeting. That afternoon was an Open day at school with the participation of families and we visited the school site: Primary / Kindergarten. All the participants experienced the workshop of collective aerobics session and sevillanas dancing. After that we had the general meeting at the school theatre. We had free time so the participants could visit the traditional local shops.

In the evening we had dinner with the experience of flamenco at typical "Moscatel Museum".

15.05.2014 Thursday

On Thursday, all the team members met at the hotel, went to the secondary school Caepionis. We had the third session in there; working meeting, conclusions, and the minutes. We had a coffee break and later we went to Cadiz for visiting historical places of the town. We had a lunch in a typical Spanish Tapas restaurant. We went to Torre Tavira and visited the dark room "camera obscure". In the evening, we went to Jerez to visit the special event of *Feria del caballo*. We came back to Chipiona and had dinner at Ricardo's restaurant.

16.05.2014 Friday

On Friday, The minutes of the project is signed and handed out. Official ending of the meeting.

All information is correct and understandable:
